

SEVENTH WORKSHOP ON THE CHEMISTRY OF THE HEAVIEST ELEMENTS

JOHANNES
GUTENBERG
UNIVERSITÄT
MAINZ

October 11 – 13, 2009

First Circular, April 2008

Background

The workshop on the Chemistry of the Transactinides is the seventh in a series of workshops held in Grossbothen 1991, Solothurn 1993, Mainz 1995, Stenungsund 1997, Hasliberg 2001, and Oslo 2005. In Stenungsund, it was decided to organise - in addition to the workshops on the Chemistry of the Transactinides - , International Conferences on the Transactinide Elements TAN which were held in intermediate years, 1999 in Seeheim, 2003 in Napa, and 2007 in Davos.

Scope

The workshop focuses on the recent developments in the fundamental chemistry of the transactinides in the liquid phase and in the gas phase, and the respective theoretical modelling.

Location

The workshop will be held in the city of Mainz in the ERBACHER HOF (www.ebh-mainz.de) in close vicinity to the cathedral St. Martin. The ERBACHER HOF will provide the conference room, over night accommodation with full board, and coffee for the breaks in the morning and afternoon.
