Apply Now >

## OUR COMPANY

At Boehringer Ingelheim we develop breakthrough therapies and innovative healthcare solutions in areas of unmet medical need for both humans and animals. As a family owned company, we focus on long-term performance. We believe that, if we have talented and ambitious people who are passionate about innovation, there is no limit to what we can achieve; after all, we started with just 28 people. Now, we are powered by 50,000 employees globally who nurture a diverse, collaborative and inclusive culture.

## THE POSITION

Would you like to join a pharmaceutical company, where your skills, competencies and creativity can open doors for your development and professional growth? We are looking for a student who will support our department Process Management Taxation, where we create innovative Tax processes. If this sparks your interest, we can offer you a unique experience to do your internship in Ingelheim, in one of the pharmaceutical industry's top 20 companies.

Start date: asap

Duration: 6 months
