**Re.: Application for admission to exam-relevant credits for the Master's program in
*Quantitative Decision Making in Economics and Management***

In accordance with the regulations for the Master's Degree program in Quantitative Decision Making in Economics and Management, I am herewith applying for admission to exam-relevant credits for the above-named program.

The following documents are enclosed with my application:

1. A passport-sized photograph (please attach at the field provided above),
2. Proof of enrollment in the Master's program in Quantitative Decision Making in Economics and Management (proof as provided by the Academic Registrar's Office (Studierendenservice) to be attached to this sheet).

I hereby declare that have not yet completed a Master's Degree in the area of Business and Economics at another university in Germany, and I am not currently undergoing any other examination procedures in a study program in the area of Business and Economics at another university.

I assure that in case of simultaneous studies in another degree program, I will immediately notify the Exam committee of the start and completion of the examination procedure as well as the failure of examination performances and performance reviews in the other degree program.

I acknowledge that I am obliged to check my university e-mail account regularly.
