## Application for Change of Failed Elective Modules in the QDEM or IEPP Program

Last Name: \_\_\_\_\_

First Name: \_\_\_\_\_

Matriculation Number: \_\_\_\_\_

I hereby apply for the change of the failed elective module

1. Joker

2. Joker

**Please mark applicable:**

- in the master's program International Economics and Public Policy  
in accordance with § 18 Abs. 2 in examination regulation of the master's program International Economics and Public Policy dated 11.01.2012
- in the master's program Quantitative Decision Making in Economics and Management  
in accordance with § 18 Abs. 2 in examination regulation of the master's program Quantitative Decision Making in Economics and Management dated 11.05.2022

I am aware that a failed elective module can only be changed twice during the entire duration of my studies and that a change back is not possible.
