

Table with columns for Act (2-70) and rows for various Latin phrases (e.g., V et dicentes, 5 SCR, 6 & dicentes). Each row contains a sequence of words and symbols in a specific color-coded format.

Table with columns for variants (e.g., Z^M2, Z^W, Z^C*) and corresponding Latin text fragments. The table compares multiple manuscript readings across various columns, often showing differences in verb forms, pronouns, and particles.
